This year **NYSAFLT** is pleased to once again co-sponsor the **Summer Institute** with the **New York State Education Department**. We are offering a wide variety of workshops to choose from that we are sure our attendees will find professionally enriching and challenging.

The theme for this year's Institute is **"Building on the Basics: Raising the Standards."** As the theme suggests, our presenters will show us a variety of methods, designed to build on the basics we all have mastered, and raise the standards for ourselves and for our students.

The **NYSAFLT Summer Institute** is a wonderful time to begin preparations for the upcoming school year. Bring a flash drive to save all of the wonderful materials you will create! Because continued professional growth is important for the success of all teachers, **please join us August 4 – 7 for the 2009 NYSAFLT Summer Institute.**

All registration materials are available online at <http://www.nysaflt.org> or from NYSAFLT Headquarters: hq@nysaflt.org or (716) 836-3130.
