This year **NYSAFLT** is pleased to have **NNELL** and the NYS Education Department as co-sponsors of the **Summer Institute**. We are offering a wide variety of workshops to choose from that we are sure our attendees will find professionally enriching and challenging.

The theme for this year's Institute is **“What's H.O.T. in LOTE: Higher Order Thinking Skills”** As the theme suggests, our presenters will show us a variety of methods, designed to build on the basics we all have mastered, and raise the bar for ourselves and for our students.

The **NYSAFLT Summer Institute** is a wonderful time to begin preparations for the upcoming school year. Bring a flash drive to save all of the wonderful materials you will create! Because continued professional growth is important for the success of all teachers, **please join us August 3 – 6 for the 2010 NYSAFLT Summer Institute**.

All registration materials are available online at <http://www.nysaftl.org> or from NYSAFLT Headquarters: hq@nysaftl.org or (716) 836-3130.
